

2026 RICHMOND GIANTS FOOTBALL-CHEER-DANCE **REGISTRATION AND FEES ON-LINE PAYMENT LINK**

Here is the Link to click on below for Richmond's New on-line Registration and Payment Site on our new ZEFFY Platform!!!

<https://www.zeffy.com/en-US/ticketing/richmond-giants-football-cheer-dance-registration>

Here is the Registration QR Code:

Zeffy is a new software program that offers non-profit organizations a FREE platform to take-in and monitor funds for Events (for us that would include sports program registration/payments), Donations, and Fundraisers at no cost (unlike other platforms such as PayPal or Square that charges organizations a fee for each transaction)!

Zeffy does not charge the organization, but please be aware and alert your parents that Zeffy will ask for *(and automatically will include) an optional additional contribution to Zeffy with each transaction...this contribution is optional so please remind everyone that this MUST be changed to \$0 so it is not added.

Please share this with parents to use this new Zeffy link or QR Code to register your child and pay registration fees on-line. Registration and payments can still be made in person at Richmond Park, where ALL required additional Registration Forms can be picked up and completed. Should you have any questions please contact me by email (brumbyjoyce@gmail.com) or phone (305-458-4426).

This Link is being shared, but is still work in progress and subject to additional modifications as needed. So please share any feedback or suggestions...

Thank you,

Joyce Brumby
